RECENT NEWS

SSS&W 48TH BIRTHDAY PARTY

On April 11 our group celebrated its 48th birthday. The theme for the President's challenge was Children of all Ages and our members did us proud. We let everyone vote for their favourite, and although a close contest, the winners were Pam Boler and Wendy Cashman with their wonderful felted fairytale piece - perfect for a little girl.

Second favourite was an amazing installation by our President. True to her form it was a felted piece - which depicted a sheep on a diving board ready to dive into a pond, where we can see the bottom half of a sheep already in the pond. Amazing stuff Jane!

One of my personal favourites was the wonderful clotheslines of gorgeous dolls' clothes knitted by Marie Gabriel. because each little jumper was using a different stitch i.e. fair isle, cable, rib.

As usual there was a fantastic spread of delicious morsels for everyone to eat. Thank you Christa for the special Danish celebration cake and a special thank you to our hostess Dymrna and her helpers

WORKSHOPS

Our Group has been busy with regular workshops - thank you Diane Stevenson and our tutors. Jan Harrison conducted a

YANDIAH 2017

This year was one of the most successful and friendly I can remember. SSS&W was represented by 17 members from our

Erna Beckedahl and Katrina Jay + one

group plus a couple of girls dropped in on Saturday. The theme this year was 'The Sixties' and our group excelled themselves. Why not come next year!

SENIORS HAND MADE EXPO

On March 8 a few of our members took part in this event run by Sutherland Council. The aim was to highlight the talents of the Shire's community groups. It was also an opportunity to sell our items. Exhibitors included Continuum Art Society, Chatelaine Quilters, Port Hacking Potters, Shire Woodworking Club, Orana Adult Learning, Calligraphy South Scribes., Southern Fibre Artists, SSS&W and other small independents. It went from 10am - 2pm, and unfortunately did not attract a huge crowd, most of whom were very senior. Considering its location in the Entertainment Centre we thought it would bring in workers into the area. Lynne Peebles with the help of her husband Graham and a few of us created a very impressive display. Four hours seemed such a short time for so much work.
